## Swim Lessons General Information

- Cost:** The cost for each session is as follows: Parent/Child and Preschool classes are \$35/residents and \$45/non-residents. These classes will be 30 minutes. Beginner and Level classes are \$45.00/residents and \$55.00/non-residents. These classes will be 40 minutes. We cannot prorate for partial attendance.
- Payments:** Payments will be taken at the Recreation Center or online at [www.cityofpflugerville.com](http://www.cityofpflugerville.com). Registration will begin on April 19th for residents and April 26th for non-residents.
- Registration:** No registrations will be accepted after 9pm on the Friday before a session begins so that we can finalize the schedule for our instructors.
- Parent Interaction:** To increase the child's interaction with, and confidence in their instructor, parent or guardian interaction should be kept to a minimum. In the Parent/Child classes, a parent or guardian is required to participate.
- Diapers:** No disposable diapers are allowed in the pool. If your child needs to wear one, we sell swim diapers at the pool or you may purchase them on your own.
- Submerging:** We do not condone, and will not, forcefully submerge a child underwater.
- Advancement:** Children will advance at different speeds and levels may need to be repeated before mastery is acquired. Passing in one session is not guaranteed.
- Refunds & Cancellations:** Refunds will only be given if a class does not meet minimum enrollment requirements and an alternate class cannot be found. Cancellations will be accepted up to one week before the start of a session. A \$7.00 fee will be withheld. Within seven days of a session start or after the start of a class, NO REFUNDS can be given.
- Bad Weather:** Classes will always be held except in the event of thunder or lightning. In these cases, out of water safety activities will be held. If a second bad weather day occurs, time may be added to remaining days or the class will be rescheduled for a Monday.
- Ratios & Instructors:** We are proud to offer ratios lower than required by the Red Cross and to have well-trained and experienced instructors. Please feel free to question our staff about any concerns you might have. It is our goal to ensure a safe and fun learning environment. We hope you enjoy your swim lesson experience!
